

Cotton Ball Sheep Craft

Supplies:

white and black construction paper

cotton balls

scissors

white crayon

2 googly eyes

red yarn

scissors

Instructions:

Print out the template and cut out the pieces. Trace the faces and legs onto black construction paper using a white crayon and cut out the pieces. Cut the body of the sheep out of white paper.

Cover the sheep's body piece with glue.

Stick the 4 legs onto the bottom of the body.

Cover the rest of the sheep with cotton balls.

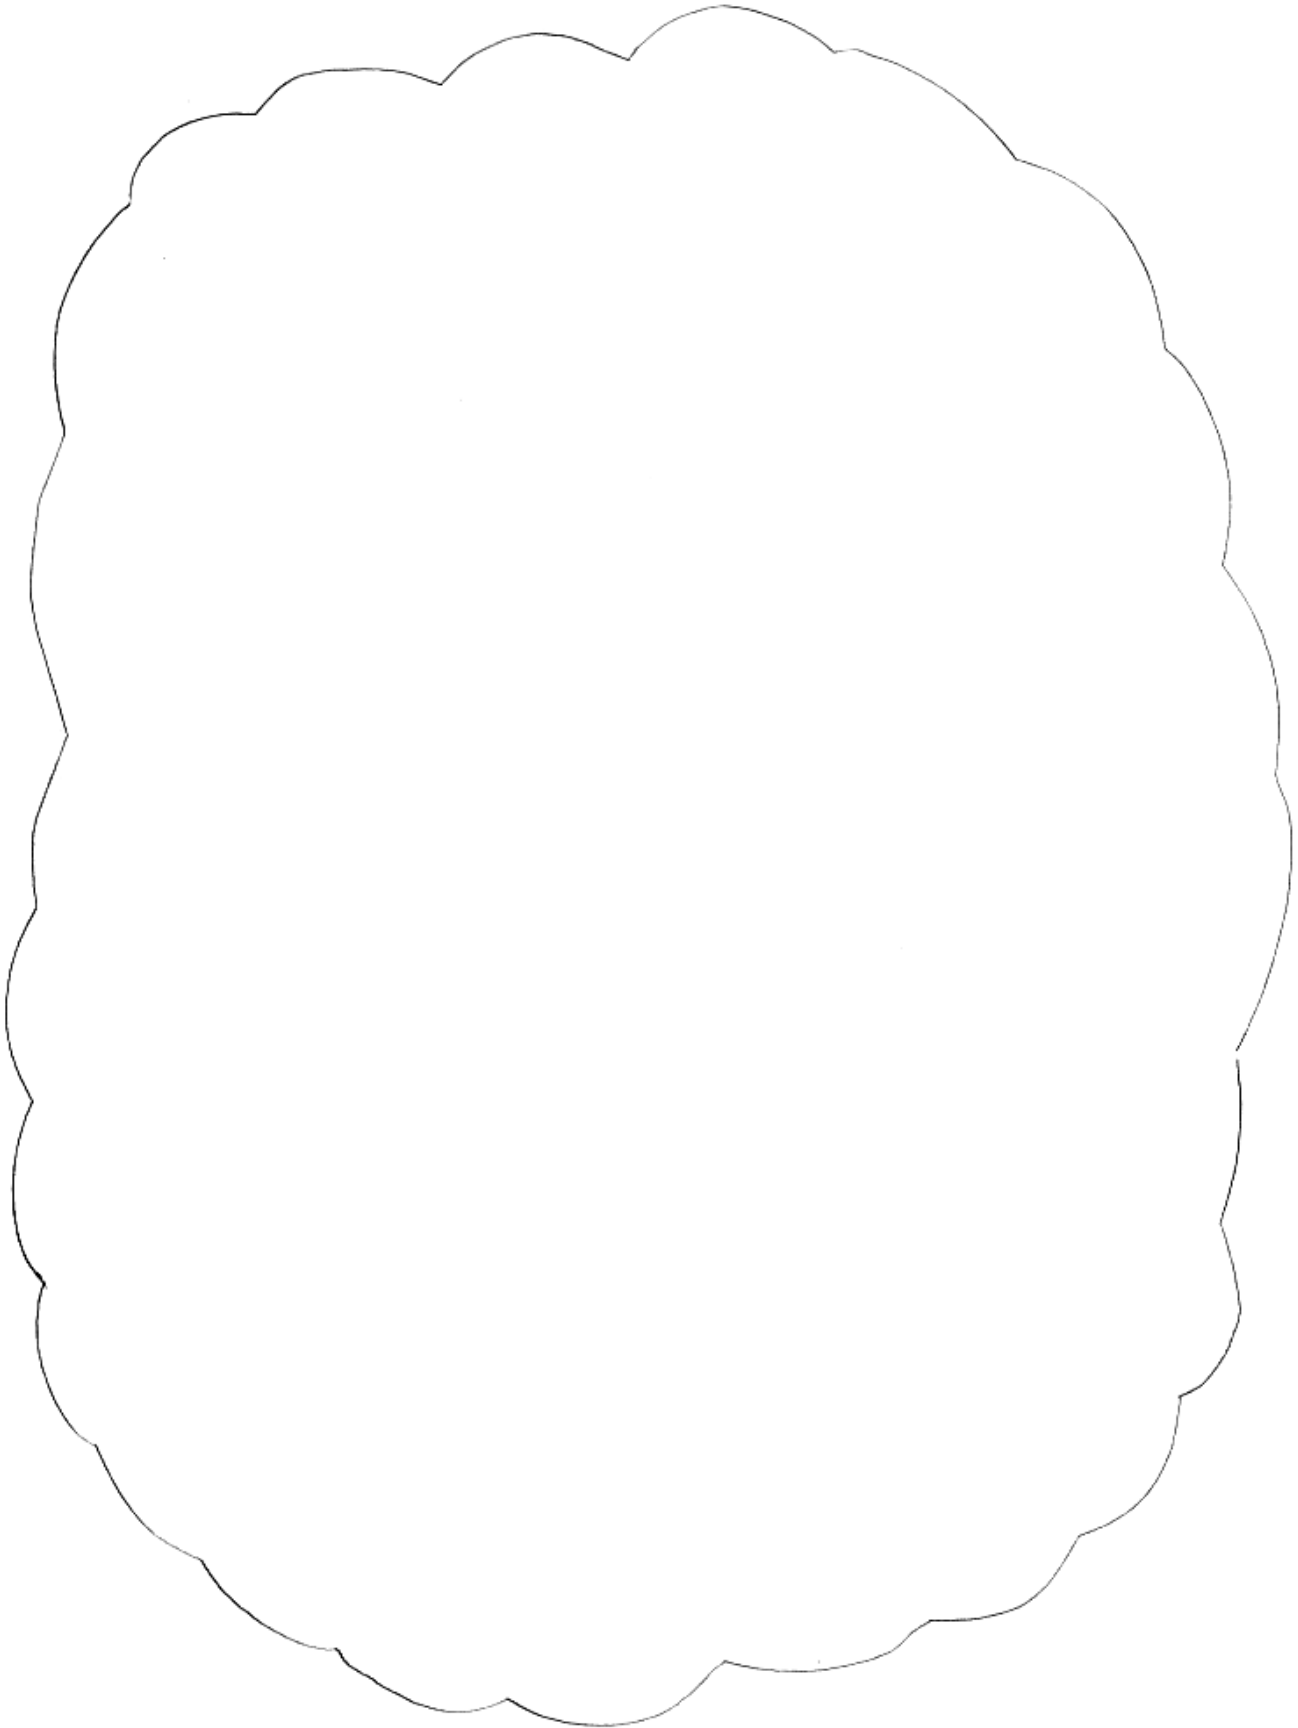

Glue the googly eyes on the head. Glue the red yarn on the sheep's face to make a smiling mouth.

Draw a small triangle nose with a white crayon.

Glue the sheep's head onto the body (on top of the cotton balls).
